2. Term and renewal. Subscriptions renew automatically for successive periods equal to the initial term unless either party gives written notice of non-renewal at least 30 days before the renewal date. Fees for renewal terms may be increased by up to 7% on 60 days’ notice.

3. Fees and taxes. All Fees are payable in the currency stated on the invoice. Customer is responsible for all sales, use, value-added, goods and services and withholding taxes, except taxes on the Supplier’s net income. If withholding is required by law, Customer shall gross up the payment so the Supplier receives the full invoiced amount.

4. Service levels. Supplier will use commercially reasonable efforts to make the Services available 99.9% of each calendar month, excluding scheduled maintenance of up to 8 hours per month. Service credits are the sole and exclusive remedy for unavailability and are capped at 10% of the monthly Fees.

5. Data protection. Each party shall comply with applicable data protection laws. Supplier will process Customer Data only on documented instructions, implement appropriate technical and organisational measures, and notify Customer of a confirmed personal data breach without undue delay and in any event within 72 hours.

6. Intellectual property. All intellectual property rights in the Services remain with Supplier or its licensors. Customer retains ownership of Customer Data. Customer grants Supplier a limited licence to host and process Customer Data solely to provide the Services.

Either party may terminate for material breach not cured within 30 days of notice. On termination, Customer Data will be available for export for 30 days and then deleted.

11. Governing law and disputes. These Terms are governed by the laws of India. The courts of Pune shall have exclusive jurisdiction, save that either party may seek urgent injunctive relief in any competent court. 12. General. These Terms, with the order form, are the entire agreement and supersede prior discussions. Amendments must be in writing.
